*“Travel Massive’s mission is to **connect** and **empower the future** of travel.”*

Community values

Partnerships.

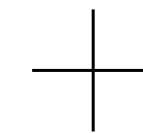

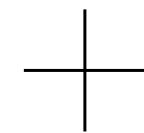

We will help our members build meaningful, trusted relationships to help them be more successful.

Big Ideas.

We will help innovators to share and develop their ideas and to gain access to partners, resources and support.

Diversity + Talent.

We will support initiatives that increase diversity, foster learning, and provide skills development and mentorship.

Purposeful Travel.

We will inspire a change in the way we travel that brings more meaning to people’s lives and that truly benefits everyone on the planet.

Positive Impact.

We have a responsibility to ensure that we reduce our harm on the environment, and improve cultures and local economies.

Happiness.

We want to create happiness for our members. Being a part of our community should be rewarding and fulfilling.
