1,259,658 nights spent

source: Czech Statistical Office

A scenic view of the Old Town Bridge in Prague at sunset. The bridge is silhouetted against a bright orange and yellow sky. In the foreground, a large stone cross stands on the left, and several ornate street lamps are spaced along the bridge. In the background, the silhouette of a large Gothic tower with a pointed roof and spires is prominent. The bridge is paved with cobblestones, and a few people can be seen walking in the distance.

TOP 5 reasons  
to go this summer

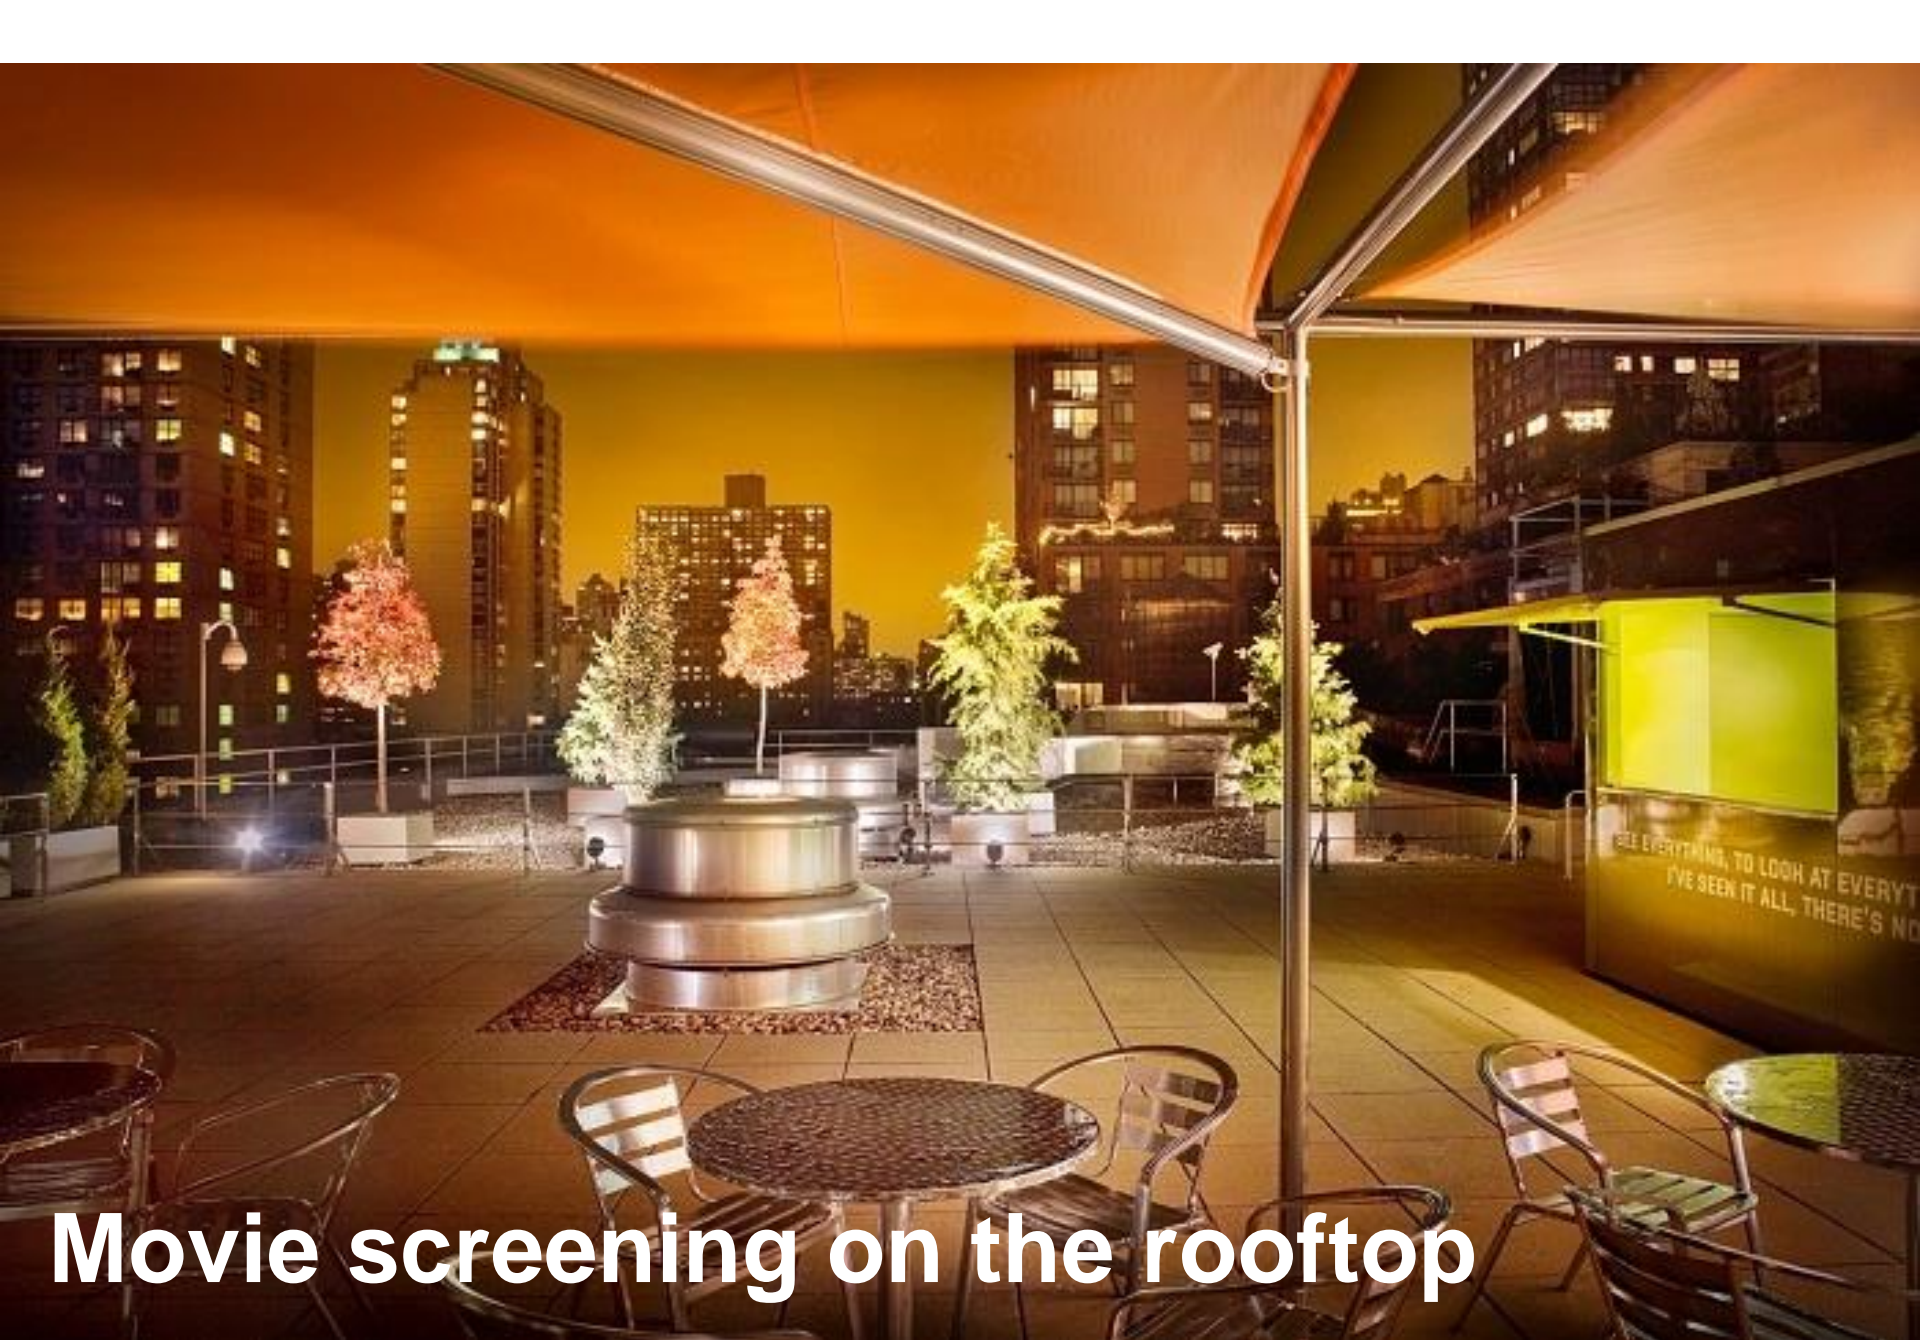

TOP 3 Czech things  
to do in NYC  
this summer

**Movie screening on the rooftop**

**Bohemian Spirit (Upper East Side)**  
**Doma na rohu (West Village)**  
**Bohemian Beer Garden (Astoria)**
